

Profile - Andrew Hunt

Andrew Hunt is the principal of Kinetics Group. Andrew founded Kinetics in 1996 and has built it to a business of 18 staff as of 2003. Prior to this, Andrew was the IT Manager at Rudd Watts and Stone (now Minter Ellison) and before that, a systems administrator at NZI Group. Andrew holds a BSc from Auckland University. Andrew was one of the founders of the Netware User Group in Auckland in 1991. Andrew and his team at Kinetics have considerable experience in various operating systems, application and environments, as well as software development capabilities specifically in the Microsoft product range.
