## Technology Briefing 30 November 2005

### Tentative Program

Venue: Compucon House, 234 Bush Road, Albany, Auckland

1:00pm-2:30pm Business Database

2:30pm-4:15pm ICT for Education

4:30pm-6:00pm Connectivity tech

6:30pm-7:30pm IT Industry Briefing

The 4 sections are designed for the benefits of 4 different categories of people. The primary target audience are Small Medium Business owners, School Principals, IS managers and IT consultants respectively. These sessions are not for sales pitching. They are a collection of relevant, useful and insightful information. Registration to attend is strictly essential. Please register [here](#). More details of the programme will be announced before 28 October 2005.
